## HIGHLIGHT SERIES LITES *DISTINCTIVE AND ELEGANT*

***KINGSTON***

***LEXINGTON***

***VANTAGE***

Midland's new *Highlight Series* of window lite options creates the beautiful and rich look of beveled glass at a fraction of the price. A rainbow of color is created as light filters through this distinctive new series of window options.

You get the designer look of cut glass made possible by the patented technology of 3M's **Accentrim** design application system.

The *Highlight Series* is available on all of Midland's Raised Panel doors, insulated and un-insulated. (Contact us for availability on Classic Panel doors.)
